My role this year is bridging up JCI Malaysia and you in 2010. I am also very glad to have the chance to work with all of you. I will stand by you and take the challenges together, at the same time; it gives me the opportunity to learn from all of you as well.

Outgoing President, JC Tan Shin Ni and the Board of Directors of the year 2009 have excelled in all areas of opportunities in JCI. This can be proof by being awarded **BEST CHAPTER** of Malaysia during JCI Malaysia National Convention at IPOH and **BEST NEW CHAPTER** in JCI World Congress at Tunisia.

Incoming President, JC Hong Sook Kim I strongly believe under you leadership JCI Kulim still can maintain the quality even achieve more in year 2010. JC Hong Sook Kim also being awarded **Best LOM Secretary** during this year National Convention, thus with her vast experiences I'm sure she will lead JCI Kulim into another great year.

~ JCI Kulim 2010 President Message ~

It's with the tremendous sense of pride to serve as JCI Kulim President for year 2010.

My presidential theme for this year is **ACT- Achieving, Continuity, Togetherness**.

Achieving – Since year 2007, we have involved ourselves with various project which covered 4 areas of opportunities. Throughout the year, projects organized had achieved our JCI Kulim goals & objectives and our chapter had been recognized as the best chapter of Malaysia and Best New Chapter of the World in year 2009.

Hence, JCI Kulim again drafted out our plan and goals to achieve more, keep chapter continue growth and have a stronger foundation.

Continuity – JCI Kulim will continue work together and share the best practice, to establish relationship with members, corporate companies, local council, others NGOs, government sectors and public as well.

Togetherness – Sense of togetherness and spirit to work in team for success is indeed great and crucial in JCI Kulim as to establish and achieve JCI Vision- to be the leading global network of young active citizens and JCI Mission- to provide development opportunities that empower young people to create positive change. In year 2010, we recommit to extend our membership, to remain relevancy to our community and to enhance personal development of individual member in chapters and it definitely need lots of teamwork and together we will sure achieve more.

With the current economy turbulences and its affection, I strongly believe JCI Kulim has the ability to work through the difficult time and with the qualities of incoming Board of Directors, I am sure the year ahead would be a successful one with the effort of unselfishness and persistence on all the undertaking. By applying 'Learn by Doing' and practicing JCI movement, I sincerely believe that we can achieve our vision and goals and make a amazing year of 2010 for JCI Kulim.
